Q1

Has Saki been to Daisuke's favorite restaurant?

— (            ), she (            ) been there  
(            ).

# Express Your Idea!

## Introduction Example

Hello, everyone. I'm Daisuke. I'm going to introduce my favorite restaurant to you. The name of the restaurant is Dragon Curry. It's next to a convenience store on Sakae Street. In the restaurant, Indian chefs cook many kinds of curries. They can speak Japanese well. I recommend their chicken curry. It's very good.
